INTERVIEW EXPERIENCE

ROLL NO: 7376212AD109

NAME: ARAVINDHAN P

EMAIL: aravindhan.ad21@bitsathy.ac.in

PHONE: 9025129108

ROUND -1:

SECTION-I (Test Duration – 1 Hr)

Note: Elimination round (Practice some mock tests before attending Hexaware Placement)

- Aptitude(Easy 10 to 15 Questions)
- General English (Grammar basics,comprehension)- (10 to 15 questions)
- Logical Reasoning(Easy 10 to 15 Questions)

SECTION – II (Test Duration – 30 mins)

- Technical – (output prediction for pseudocode (10 to 15 Questions),
Computer basic questions(10 to 15 Questions)

NOTE - Candidates who clear this test with the percentage of above 80 only will be given the opportunity to upgrade your package from 4LPA to 6LPA

ROUND -2:

GROUP DISCUSSION ROUND (Duration – 20 mins)

Note :Another Elimination round

Common topics only will be given. They don't expect very good English, so candidates who came forward and spoke were selected.

ROUND 3:

Technical and Personal HR Interview - 10 to 15 mins

NOTE: Don't be nervous and present yourself well.

- Tell me about yourself
- About Hexaware
- Family Background
- Why did you choose AI
- Okay with Service Agreement and relocation.

IF YOU HAVE SCORED ABOVE 80 PERCENT IN THE FIRST ROUND YOU WILL BE HAVING A CODING ROUND FOLLOWED BY A HR INTERVIEW AFTER SOME DAYS TO UPGRADE YOUR PACKAGE.

THERE IS NO ISSUE IF YOU FAIL TO CLEAR THE CODING ROUND. STILL YOU WILL BE OFFERED WITH 4LPA.

ROUND 4: Only for students who scored above 80% in first round

Coding Round - 2 Questions Easy to Medium

Note - It is mandatory to clear both the problem and to pass all the test cases

- Simple array and string based questions only were asked

ROUND 5: Only for students who cleared coding round

HR Interview

- Tell me about yourself.
- About Hexaware.
- More questions were from your self intro.
- About your hobbies.
- Okay with Service Agreement and relocation.

Other than the technical skills they gave priority in checking our confidence level.

So be confident and do well.

Feel free to ask me if you have any doubts.

All the best
