CAREER OBJECTIVE

Motivated B.E Engineering student from Kongu Engineering College with strong full-stack development and data analytics skills, experienced in real-world projects using JavaScript, MongoDB, MySQL, Power BI, and Tableau. Passionate about problem-solving, AI, and emerging technologies, aiming to secure a role in a reputed technology company.

EDUCATION

Bachelor of Engineering (Present)

Kongu Engineering College
Computer Science and Engineering
CGPA : 8.6

AISSE (2020-2021)

VELAMMAL BODHI CAMPUS (CBSE)
Percentage: 81.6 %

AISSCE (2022-2023)

VELAMMAL BODHI CAMPUS (CBSE)
Percentage: 92.8 %

PROJECTS

GoTrack (React, MySQL, ExpressJS)

- Designed a logistics solution to track carbon emissions and optimize delivery routes.
- Integrated an expense tracker and built dashboards using Excel and Power BI.
- Highlighted sustainability by calculating emissions and minimizing fuel usage

Arul Jayam Machinery (Tailwind, React, Typescript, Firebase)

- Developed and deployed a full-featured e-commerce website for Arul Jayam Machinery, enabling online sales of agricultural products.
- Implemented product listing, cart, and order modules with responsive UI and secure user authentication

Sales Performance Dashboard (PowerBI, Pandas)

- Built an interactive dashboard showcasing sales performance of a Ecommerce shop using Python and Power BI.
- Displayed sales by region, customer retention overtime , discount impact on profit, and other charts
- Used Excel data and Pandas for backend processing and Power BI for visual storytelling.

SKILLS

Technical Skills

- Data Analytics & Visualization: Data Analysis & Dashboard Development
- Programming: C, C++, Python, Java, Javascript
- Database Management: MySQL, MongoDB, Firebase
- Web Development: MERN , HTML , Tailwind
- Tools & Technologies: Git, GitHub, Docker

Soft Skills

- Problem Solving
- Leadership

CERTIFICATION

- MongoDB Associate Developer Node (2025)

ACHIEVEMENTS & AWARDS

- Winner of Department Level Hackathon Hackbuzz 24 hours hackathon
- Runner up in HackerRank Coding Challenge 2024 conducted inside college
- Winner of paper presentation in Yuktaha in PSG iTech

AREA OF INTERESTS

- DSA
- Web development
