Tamil Nadu Model Schools

Job Description - Faculty

Primary Purpose of the Job:

Deliver effective classroom instruction, assess student learning, and provide timely academic support. Continuously improve teaching practices through structured planning and professional development, collaborate with school and academic teams, and maintain records while upholding a positive, inclusive, and child-safe learning environment.

Key Deliverables:

- Deliver well-planned, engaging, and effective classroom sessions, completing the assigned syllabus on schedule.
- Formulate structured lesson plans and prepare relevant learning resources.
- Identify student learning gaps and provide timely assessments, feedback, remedial support, and doubt resolution.
- Actively participate in professional development training, classroom observations, school activities, and academic initiatives.
- Maintain accurate records and adhere strictly to child safety policies and professional standards.

Role Requirements:

Skills

- Strong classroom facilitation, student engagement, and pedagogy skills.
- Clear conceptual explanation, questioning techniques, and problem-solving abilities.
- Strong interpersonal, communication, and relationship-building skills.
- Structured lesson planning, instructional resource design, and time management.

Knowledge and Qualifications

- Postgraduate degree in a relevant discipline as per subject-specific eligibility criteria.
- Strong foundational subject knowledge **(minimum CGPA of 6.5 or equivalent).**
- Proficiency in Tamil and effective communication skills in English.
- Awareness of relevant curriculum boards, grade-level competencies, and competitive exam formats.
- Familiarity with modern teaching, learning, and assessment methodologies.

Experience

- Open to fresh graduates/postgraduates and early-career professionals.
- Prior experience in teaching, tutoring, mentoring or competitive examination coaching is an advantage.
