Tamil Nadu Model Schools

Empowering Students, Enabling Excellence

About TNMS

Tamil Nadu Model Schools was established in 2021 under the Department of School Education

A pioneering Government education initiative transforming the learning experience for students across the State of Tamil Nadu. Through a residential, student-centric approach, TNMS brings together academic excellence, competitive preparation, career exposure, and holistic development, creating an environment where students are encouraged to dream bigger, explore wider opportunities, and realise their potential.
