CAMPUS HIRING · JOB DESCRIPTION

AI/ML Engineer

COMPANY SISTECHWORK Private Limited	ELIGIBILITY B.E./B.Tech – CS, IT, AI/ML or related
LOCATION Chennai (Sholinganallur)	EMPLOYMENT TYPE Full-time · Freshers welcome

ABOUT US

SISTECHWORK Private Limited is a Chennai-based software engineering company building enterprise platforms (Thulir HRM, TestOrbit, TrainHub and Reply IQ) alongside custom web, mobile, cloud and AI solutions. We offer freshers the opportunity to enhance their technical skills, work on real-world projects, and grow in a collaborative environment.

ROLE OVERVIEW

We are looking for a motivated AI/ML Engineer to design, develop, implement, and optimize artificial intelligence and machine learning solutions. The candidate will work with data, AI models, and modern AI technologies to build intelligent applications that solve real-world business problems.

KEY RESPONSIBILITIES

- Design, develop, and implement AI and machine learning models for practical applications.
- Develop AI-powered solutions using Python and relevant AI/ML frameworks.
- Work with machine learning, deep learning, and natural language processing (NLP) techniques.
- Explore and integrate Large Language Models (LLMs), generative AI tools, AI APIs, and RAG-based chatbots.
- Collect, preprocess, analyze, and evaluate data to improve model performance.
- Test, debug, and optimize AI models for accuracy, scalability, and efficiency.
- Collaborate with development teams to integrate AI solutions into applications.
- Maintain technical documentation and follow responsible AI and data security practices.

REQUIREMENTS

- Bachelor's degree (B.E./B.Tech) in Computer Science, Information Technology, AI/ML, or a related field.
- Knowledge of Python programming and basic data structures.
- Understanding of machine learning, deep learning, and fundamental statistical concepts.
- Familiarity with libraries such as NumPy, Pandas, Scikit-learn, TensorFlow, or PyTorch.
- Basic knowledge of APIs, data processing, and model evaluation techniques.
- Strong analytical, problem-solving, and communication skills.
- Willingness to learn emerging AI technologies and work on real-world projects.
- Fresh graduates and final-year students with relevant academic or project experience are welcome, subject to company criteria.

WHY JOIN SISTECHWORK PRIVATE LIMITED?

- Opportunity to work on innovative AI and machine learning projects.
- Exposure to modern AI tools, frameworks, and technologies.
- Collaborative work environment with continuous learning opportunities.
- Career development through hands-on experience, training, and mentorship.

COMPENSATION

PROBATION PERIOD **₹15,000 per month**	POST-PROBATION SALARY **₹3 LPA**
