Chennai (Sholinganallur)	Full-time · Freshers welcome

ABOUT US

SISTECHWORK Private Limited is a Chennai-based software engineering company delivering enterprise platforms (Thulir HRM, TestOrbit, TrainHub and Reply IQ) and custom digital solutions. Our Process Associates are the first point of contact for customers. We offer freshers the opportunity to develop their skills, gain practical experience, and grow in a collaborative and supportive work environment.

ROLE OVERVIEW

We are looking for an enthusiastic and articulate Process Associate to promote our software products, deliver product demonstrations, and handle customer calls. The candidate will explain product features and benefits clearly, address customer queries, and help convert leads into satisfied customers.

KEY RESPONSIBILITIES

- Make outbound and handle inbound calls to introduce SISTECHWORK's products to prospective customers.
- Deliver live and online product demonstrations of our platforms, such as Thulir HRM, TestOrbit, TrainHub, and Reply IQ.
- Explain product features, benefits, and use cases clearly to customers.
- Understand customer requirements and recommend the most suitable product or solution.
- Handle customer queries and objections professionally; escalate technical questions when needed.
- Follow up on leads and demos to drive conversions and close sales.
- Record calls, leads, and follow-ups accurately in trackers or CRM and prepare regular reports.
- Maintain strong product knowledge and ensure confidentiality of customer information.

REQUIREMENTS

- Bachelor's degree in any discipline from a recognized institution.
- Good spoken and written English, with confident phone etiquette and presentation skills.
- Basic computer knowledge, including MS Office and comfort with online meeting tools for demos.
- Interest in sales, customer interaction, and explaining products to others.
- Strong listening, persuasion, and problem-solving skills.
- Willingness to learn product details quickly and work towards targets.
- Fresh graduates and final-year students are welcome, subject to company criteria.

WHY JOIN SISTECHWORK PRIVATE LIMITED?

- Hands-on exposure to product sales, demos, and customer handling.
- Opportunity to learn enterprise software products in depth.
- Supportive and collaborative work environment.
- Training and mentorship for growth in sales and customer success roles.
